RISK MANAGEMENT CONFERENCE 2017

11th - 12th August 2017

EXHIBITOR INFORMATION

2017 EXHIBITOR PACKAGES

The Rapid Solutions 2017 Conference conference is one of the largest in the Asia Pacific region, offering brands an exceptional opportunity to engage with pest managers and building inspectors from Australia and overseas.

More than 380 business owners, technicians, support staff and partners (in addition to the large number of sponsors and exhibitors) attended to make the 2015 conference a great success. It's great to see more and more business decision makers finding value in attending professional industry conferences to network and gain exposure to the latest product innovations.

To allow us to provide a bigger and better conference in 2017, we've decided to move venues to RACV Royal Pines Resort on the Gold Coast. Royal Pines will enable us to provide a fresher conference, with better facilities and all social activities located on site.

By choosing to exhibit at the Rapid Solutions 2017 Conference, you can gain access to the year's largest gathering of Australian pest managers and building inspectors.

The Rapid Solutions 2017 Conference presents a fantastic opportunity for you to gain new clients and strengthen existing relationships. We look forward to seeing you there.
